

CARES Public Lecture Series – 1

[Supported by EMK Center]

Bio-chemistry in Life Science

**EMK
Center**

22-25 Sep

Afternoon

CARES, the Committee of Action for Research, Extension and Sciences is a Foundation comprising of almost a hundred of Social and Natural Scientists. Our Fellows and Members are updated with the fast changing scenario of world's scientific revolutions. Let's Learn from them.

This Lecture round, four scientists are facing the public with mindboggling advancement of biotechnology that affects our life and death.

**Free of
Cost**

**Pre-
registration
is required**

The 4 days' afternoon lecture series are aiming to discuss science with non-science students and experts in other discipline. The lecture schedule is as follows:

ENGAGE SCIENCE in Your Life

	Date and Time	Topic	Speaker
1	Sunday, 22 Sep 2019 at 1700hrs to 1900hrs	Coping with cancer and genetic disorder	Dr. Mustak Ibn Ayub, Department of Genetic Engineering and Biotechnology, University of Dhaka
2	Monday, 23 Sep 2019 at 1700hrs to 1900hrs	Application of salt-tolerant plant growth-promoting rhizo-bacteria for coastal agriculture: a climate change preparedness strategy	Prof Dr Muhammad Manjurul Karim, Department of Microbiology, University of Dhaka
3	Tuesday, 24 Sep 2019 at 1700hrs to 1900hrs	Diabetes: Care, Cure & Prevention	Dr. S. M. Mahbubur Rashid, Department of Genetic Engineering and Biotechnology, University of Dhaka
4	Wednesday, 25 Sep 2019 at 1700hrs to 1900hrs	Biotechnology and Bioeconomy: Bangladesh Perspectives	Dr Md. Mozammel Hoq, Professor (Retd.), Department of Microbiology, University of Dhaka

PRE-REGISTRATION is needed. It is Free but seats are limited. You can buy tea and snacks at the venue. For registration: <https://cares.ac.bd/registration-form>
Venue: Golpo-Kotha, EMK Center, MIDAS Building, House 5, Road 27, Dhanmondi.
